

See you in London at the
OASIS conference
Thu 13 Sep 4:30 pm

Unlocking the potential of earth observation based spatial disaggregation in cat modelling and risk underwriting: Oasis implementation of inhanco® Spatial Disaggregation API

Workshop 5:

Thu 13 Sep 2018
4:30pm – 5:30pm

Charles Huyck, Executive Vice President
(ImageCat)

Dionne Lemaire, Lead Catastrophe Risk
Analyst (TransRe)

Junaid Seria, Global Head of Cat Model R&D
and Governance (SCOR P&C)

Session Moderator: **Shubharoop Ghosh**, Vice
President of Data Services (ImageCat)

Session and Inhanco® info:

UK: Richard Emmett: Richard.Emmett@pro-global.com

US: Shubharoop Ghosh: sg@imagecatinc.com

A session that brings together reinsurance industry leaders in risk modelling and management, technology providers and scientists who develop an EO-based spatial disaggregation API in order to make the case for integration into cat modelling and risk underwriting.

Conference
13-14 Sep 2018

15 Hatfields, South Bank,
London SE1 8DJ
